

NO: MB2008CC-32
DATE: 8/1/2008
TO: **Original Equipment Manufacturers**
FROM: Emerson Climate Technologies, Inc.
SUBJECT: **Nameplate Change For Copeland® Compressors – CSA Approval**
EFFECTIVE DATE: September 1, 2008

For all Copeland Scroll® and Hermetic Reciprocating Compressors, the nameplate will change to reflect our addition of UL approval recognition for Canada. With this approval our previous use of Canadian Standards Association (CSA) is no longer required for product entry into Canada.

Old nameplate markings:

New nameplate marking:

The Phase-In will begin September 1, 2008 and be completed by October 1, 2008.
